CHILD SEAT
GROUP 2 / 3 (15 TO 36 KG)
CRUISERFIX PRO
KIDDY

- **Compulsory in all European countries for transporting children.**
- **The KIDDY CRUISERFIX PRO can also be used without any ISOFIX anchorage, by means of the car seat belt alone.**
- NON-CONTRACTUAL PHOTO.

DESCRIPTION

- **The ISOFIX child safety seat is usable in the "FORWARD FACING" position, for groups 2/3 (15 to 36 kg).**
- Seat offering excellent protection for the child in the event of a frontal or lateral impact, as well as excellent comfort on long journeys.
- Fitting instructions are provided with the seat.

TECHNICAL CHARACTERISTICS:

- **Seat approved under the European regulation ECE 44-03 in force.**
- **Child safety seat for groups 2 and 3 (from 15 to 36 Kg).**
- This seat uses the ISOFIX system which very securely fixes straight onto the attachments provided in the vehicle.
- Excellent ability to absorb energy and shock
- Removable, machine washable cover.
- Dimensions: minimum width 47cm x minimum height 68cm x depth 40cm
- Weight: 8kg.
- Colour variant: Denim (blue and black)
- Personalisation of the seat by the embroidering of the PEUGEOT logo on the backrest.

SALES STATEMENTS

- The seats marketed by the manufacturer are tested both statically and dynamically.
- In forward-facing position on the rear seats, using the Isofix anchorages (if present), the child is held by the 3-point seat belt in the vehicle.
- The head restraint is adjustable for height, the backrest for both height and width, protecting the head in event of rear impacts and providing firm lateral stability.
- Very safe and comfortable seat, with a V shaped backrest to adapt as the child grows.
- The low weight and the use of light superior quality materials (expanded PE) contribute to absorbing energy and reducing the effect of impacts.
- Easy to handle thanks to the flexible components such as: extremely simple anchoring, light weight (8 kg), practical adjustments preventing fitting errors.
- Use of the breathable material Thermotex allows air to circulate, making for a pleasant place to be sitting.
- The manufacturer's logo provides a touch of elegance.
